

I do not desire to see LPFM stations bump exsisting FM translator services off the air. My children and myself listen to K-LOVE radio which:

- 1) give quality programs to our local residents/community not readily available elsewhere on the dial
- 2) should K-LOVE be displaced by an LPFM - there is no other alternative to the programing in this area that K-LOVE offers

Given these facts, I feel it is in the best interest of our community to continue to allow stations such as K-LOVE have PRIORITY over an LPFM station.

Thank you for allowing my comments on this matter.
